

### Pet of the Month

**Name:** Rosie Felton  
**Suburb:** Chapel Hill  
**Breed:** Shetland Sheepdog

Hi, my name is Rosie and I'm a 13 yr old very spoilt Sheltie. I love tummy rubs, sleeping and long walks but only if I get carried home! But my favourite thing do is to be groomed and pampered by Paws Pet Sitters with my monthly hydrobath & grooming sessions. I come away looking 10 years younger with my coat so silky and smooth; it makes me feel like the 2 yr old I really am. Thanks Paws Pet Sitters for keeping me so cute!!

### Click to give FREE food to animals in need

The Animal Rescue Site is a charitable organisation dedicated to supplying food and care to animals in need. When you click on their website, ads will be displayed from site sponsors. 100% of the money from these advertisers goes to charity partners, who fund programs to provide food and care for rescued animals. The online store also gives a portion of every purchase to charity partners. I purchased \$20 worth of merchandise, which has supplied 28 bowls of food to hungry animals!
