

Happy New Years!!

Paws Pet Sitters is excited to begin another year of doting on your pets! We hope that you all had a fantastic Christmas break and were greatly satisfied with our pet sitting service. We are emailing all our Christmas clients with a Feedback Survey so that you can have your say on our service and your Pet Sitter. It is a very short survey and will only take a minute of your time to fill out. Your feedback will help us expand to offer the highest quality standard that your pets deserve. Thank you to those of you who have already completed the survey.

Expansion for Paws in 2009

2009 is an exciting year for Paws Pet Sitters as we will be expanding into a franchised company. This is great news for you as a client because franchises mean a smaller client base per operator and therefore even more attention is paid to each individual client. There won't be any major changes for you as a client as we transition into a franchise - your pets will always receive the best of care all year round. As we are at the beginning of the franchising process, we would greatly appreciate any feedback or suggestions you may have to help us improve our quality of service. We would also be very interested to hear from anyone who is thinking of becoming a Paws Pet Sitters franchisee or if you know of anyone you can refer to us to help us through the franchising process.

"Hi Everybody, we are going through some exciting changes at www.thepetographer.com.au. We are opening an online shop for Pet Products such as Mugs, Plates & T-Shirts etc. This is nothing new, there are heaps of places doing this, but I believe my Images on the product is what will make the difference, there will be weekly competitions and giveaways as well. Check out the site soon."
