Thomas' Story

The vet presented my owner with a healthy puppy – and a bill for \$1,515. Luckily, my owner had taken out Medibank Pet Insurance Silver Paw Cover with a \$100 excess, so he was reimbursed \$1,415. And I made a full recovery.

Medibank Pet Insurance helps you manage the costs of keeping your pet healthy with:

- * Up to 100% cover on vet bills
- * Your choice of vet
- * Generous annual benefit limits
- * Cover options for accidents, illness and routine care
- * Monthly premiums from \$12.50 for cats and \$14.05 for dogs

Price Rise

Due to petrol and other price increases our pet sitters are finding it hard to cover their expenses it takes to complete a pet sitting or other service. Our pet sitters absolutely love their job and they do not want to stop caring for your gorgeous pets because of this problem.

We have therefore decided to increase our minimum visit price to \$22. This only affects services such as pet sitting for one cat, the initial interview and basic hydrobaths for small dogs. Key pick up and drop off will also increase to \$17. This price rise will be effective as of 1 July 2009. All other prices will stay the same.

To view the full pricelist, visit www.PawsPetSitters.com.au "Services and Costs" page.

We have regretfully been forced to make this decision and we hope you are happy to continue to use our great service.
