

Hi there! My name is Davina D'Avoine and I am the owner of Paws Pet Sitters. Welcome to our first newsletter! Paws Pet Sitters is the biggest Pet Sitting company in Brisbane and has been in business since 2000. I purchased Paws Pet Sitters in October 2007, with the vision to expand and develop it into a household name that offers "Complete Pet Care At Home"! The May newsletter is full of exciting announcements and information including the \$1,000 Pet Pamper Pack Competition, new services that Paws now offers, information on existing services and exciting events coming up!

Hydrobathing!!

Yes that's right! Paws Pet Sitters now does Hydrobathing! Now you can get all your Pet Care services all from the same trustworthy company.

Hydrobathing prices range from \$20 - \$30, depending on the size of the dog and the type of coat. We also offer discounts for more than 1 dog. Not only will our hydrobathers leave your dog smelling great, they can also give your pet a pamper finish, which includes brushing out knotted and matted fur, cleaning ears and eyes and clipping toenails! If you would like more information on our hydrobathing services, just request a hydrobathing information sheet by emailing info@pawspetsitters.com.au or call us today to speak to a representative.

May Helpful Hint: Dog Haltis

Does your dog take you for a walk??

Here is a helpful solution - dog haltis. Dog Haltis are specially designed to stop dogs from being able to pull on their daily walk. They wrap around the dog's nose and attach to the lead under their chin. When the dog tries to pull, its head is gently pulled to the side in a motion that restricts them from being able to continue pulling. They are definitely a must have for all large breeds, I would not be able to walk my two alaskan malamutes without them!

You can purchase haltis from all major pet stores or get great online discounts at www.petsupersavers.com.au
