

## Paws and Claws Award Finalists!

Paws Pet Sitters were finalists for the "Best Mate" award at the Paws and Claws Annual Charity Ball held last month.

Thank you to everyone that voted for us, this result means that we are within the Top 5 Pet Care companies in South East Queensland. As our first year in this category we are very excited at the outcome and this achievement.

The Paws and Claws Charity Ball was an exquisite event with red carpet entry, celebrity guests and a delicious 3 course dinner experience. The awards recognise the top companies within the pet industry and is a way to say "Thank you" from all our furry friends. The team at Paws and Claws did a fabulous job putting together such a successful evening, it was truly a night to remember!
